

Note: There are eight (8) pages to this file. The chicken, pig, and turkey sheets are  $8\frac{1}{2}$  by 11 inches and the ram sheet is 11 by 17 inches. When you print from Adobe Reader be sure you check the option to print actual size and not to shrink or fit to page. It takes a lot of ink or toner to print out the solid targets. Recommend you print one master and take the sheets to a copy service for copies. Also you can take the full PDF file to the copy service and have prints made.
